Dear Sir/Madam,

We are glad to inform you that the XII International Specialized Exhibition-Fair of modern equipment and technologies for agriculture "**Uzbekistan Agrotech Expo**" will be held in 30 May – 02 June 2017 in Tashkent in the central pavilion of the national exhibition company "Uzexpocentre".

As you know, Uzbekistan possesses an enormous potential for production of different kinds of agricultural products, especially horticultural products which possess a high quality taste and export opportunities. In order to develop this area actively our farmers are interested in attracting advanced experiences and technological equipment.

Exhibition has been conducted successfully since 2006 and it has been visited by members of more than 500 companies from all over the world including countries of Europe, Israel, South Korea, China, Turkey and others. More than 60 thousand representatives of small businesses, agricultural companies, farmers and other specialists attended this exhibition. As a result, more than 4 thousand contracts for purchasing of exhibited equipment were signed among participants of exhibitions.

Exhibition includes the following thematic divisions: "Fruit processing equipment, "Meat, fish and diary products processing", "Milk processing", "Veterinary", "Bakery and macaroni production", "Labeling, polygraphic and packaging equipment", "Freezing technologies", "Chemicals for plant protection, syringes", "Greenhouse equipment", "Beekeeping", "Equipment for in-house (cottage) production (sewing machines, carpet production and etc.)". Exhibition comprise of thematic seminars on abovementioned areas.
